

Burglars Busy In This Area During Christmas Night

It was a merry Christmas for burglars in this area, according to reports from the sheriff's department.

Four burglaries were reported, the victims being Pace's Truckee Mercantile, Besio's Apparel Shop, George Carter's Olympic Cafe and the Donner Lake Laundromat. Also robbed were two newspaper racks, one in front of Coffee And and the other near Brown's Cafe.

An attempt to break into the rear of the M & E Club was thwarted by reinforced doors and windows in the rear of the building.

The burglar or burglars entered the Truckee Mercantile by breaking open a heavy iron door in the rear. The store safe was broken into and an undetermined amount of cash taken. Files were looted and scattered, merchandise upset and the cash registers looted.

The burglary occurred sometime between 3 p.m. Sunday and 9:30 a.m. Monday. Footprints indicated only one man was involved, although two cans of beer had been opened and only partly consumed.

The front door of Besio's was pried open and cash and clothing taken. An inventory will be taken to determine the loss although it is known that two valuable parkas and other items are missing along with at least \$100 in cash. This burglary also was accomplished sometime Christmas night.

At the Donner Lake Laundromat, owned by Robert Daneri, the coin change machine was broken open and an undetermined amount of money stolen. Deputy Sheriff Clarence Shoemaker, who investigated said small coins were scattered over the floor and some left in the coin tubes. He said he salvaged \$7 in dimes, one quarter and two nickels. Here the doors are left open for the convenience of customers and access was not difficult. Shoemaker said it could have been the work of youngsters or passing motorists.

George Carter of the Olympic Cafe on the main street, reported efforts were made to break into the rear but the burglar gave up there and went to the front door which was broken open. Approximately \$150 in cash secreted in the cafe, was taken.

Constable N. F. Dolley said the two newspaper racks disappeared completely and that he had no way of knowing how much cash was involved. They were the only two racks, operated by the D & D Agency, which were not chained down.

Sheriff's deputies are studying finger prints and shoe prints left in the soft snow in an effort to determine the identity of the burglars and whether all crimes were committed by one or more persons.

The owners, Mr. and Mrs. Alfonso deLuque, were in the bay area at the time of the fire. The building had not been used for several years.

Rash of Accidents On Highways Is Caused By Storm

The brief snow storm Sunday afternoon which left only an inch of powder in the Truckee-Donner area, resulted in a series of nearly a score of motor vehicle accidents, most of which were of minor nature but which kept highway patrol officers, ambulances and tow cars on the run for hours.

The most serious accident occurred Sunday at 1:05 p.m. when four cars piled up on the freeway near Castle Peak intersection. Nine people were injured and all four drivers were cited for driving faster than conditions warranted.

The drivers were Curtis Elliott, 41, San Francisco; William K. Murray, 45, Chico; Frederick A. Schraub, 29, San Jose, and Gregory S. Richards, 18, Redwood City. Most seriously injured were Florence Ochs, 73, Chico and drivers Elliott, Murray and Richards, who were taken to the Tahoe Forest Hospital for treatment.

Mrs. Ochs, mother of Mrs. William Scanlon of Gateway was seriously injured in the crash with broken bones and other injuries. Others were not believed in serious condition. The Murrys and Mrs. Ochs were en route to Truckee to spend Christmas with the Scanlons when the accident happened.

OTHER ACCIDENTS

Donnamae Bradley, 21, Tahoe City, escaped serious injury but her car was badly wrecked at 5:40 a.m. just south of Cedar Crest on Route 89.

David Britton, 25, and Mahelle Little, 49, both of Truckee were not injured when their cars collided at Church and Bridge Street in Truckee at 4:20 p.m. Friday.

Doris Miller, 56, Sunnyside suffered a broken leg Sunday at 3 p.m. when cars driven by Robert M. Fetzer, 22, Sunnyside and Helen T. Lackey, 46, Orinda, collided on the Alpine Meadows road.

Most of the other accidents resulted in minor injuries and property damage, the highway patrol reported.

Andy Oroz, Former Truckee Man, Dies

Andy Oroz, for many years a resident of Truckee where he operated the old St. Louis Cafe, expired Christmas Day at his home in Carson City. He had been in ill health for some time and recently suffered a stroke.

Oroz was a native of Spain, but had lived in this country for many years. After leaving here, he and his surviving wife, Rita and their sons, operated a resort in Nevada.

His wife was a member of the well known Besio family here and members of the family, including Mrs. C. P. Goode of Woodland, Mr. and Mrs. Steve Besio of Modesto and Mr. and Mrs. Angelo Besio of Truckee attended the rosary last night and the mass today in Carson City.

Chain Ordinance Still In Effect; New Rules Are Planned

The supervisors this week adopted a new ordinance embodying many of the same provisions contained in the previous one but making a charge of \$5 for Nevada County residents, \$25 for state of California residents and \$50 for out of state residents.

Until a new skid chain installer ordinance can be adopted by the Nevada County Board of Supervisors, the emergency ordinance, classified as unenforceable and discriminatory and published in last week's Sierra Sun, will remain in force.

According to Supervisor H. G. Loehr, the ordinance is a "phony" but nevertheless was officially adopted and is currently effective. Under its terms, those engaged in installing or removing chains for hire in the county, must be authorized by the sheriff's department, pay a \$5 fee and conform with other regulations.

The ordinance was adopted at the request of the division of highways, Loehr said, and while it meets the needs, it is a difficult law to enforce since the highways on which the chain people work are in three or four counties and the ordinance is not uniform with those of Placer and Sierra Counties.

Support Of County Chamber Is Under Study In Truckee

A proposal that the dues for members of the Truckee-Donner Chamber of Commerce members be raised from \$30 to \$40 a year and that half this sum be contributed to the support of the recently organized Nevada County Chamber is being studied by local chamber directors, according to Manager N. F. Dolley.

Dolley said the matter would be acted upon officially at a meeting of the chamber January 11.

Another suggestion, advanced by Dolley, would be to raise the dues to the suggested \$40, but allocating only \$10 of the dues to the county chamber, leaving \$30 for local promotion and expenses. Either plan, Dolley said, would be adopted for a term of one year.

The county chamber was formed recently to replace the board of trade in handling promotional affairs for the county and was allowed the exploitation fund raised through taxation from all parts of the county.

The county chamber immediately set out to employ a secretary-manager at a salary of \$10,000 a year. Several applicants for the position have been interviewed and it is hoped to fill the post by the first of the year.

Steps Taken Here To Eliminate Debris

Renewed efforts to rid the area of two unsightly structures, both of which were destroyed by fires several years ago, were started last week by Cy Armstrong, local sanitation, in cooperation with District Attorney Harold Berliner.

The buildings, both useless in their present condition, are the old Donner Lake Hotel owned by Virginia O'Beare of Orangevale and John and Sue Ann Fell of San Jose, and the old Sportsman Club near the high school said to be owned by Clay Brown and Company of Oregon.

In the new action, under Section 203 of the Uniform Building Code, according to Armstrong, the district attorney will notify the owners of the proposal to have the county remove the debris and make the charge against the property.

Efforts to have the remains of the structures removed under a misdemeanor law, such as was used to clear the remains of the old Olympic Hotel, failed, Armstrong explained and the section of the building code was decided upon by Berliner.

TRIPLE CELEBRATION FOR TRUCKEE FAMILY

January 4 will mark the incentive for a triple celebration for the David Anderson family of Prosser Heights.

It will be the occasion of the birthdate of both Mr. and Mrs. Anderson and the 15th anniversary of their wedding.

One of their children, Paul, will observe his birthday on January 20, but the second broke the tradition by being born in March. Anderson is employed at the quarantine station and Mrs. Anderson operates a school bus.

Telephone Men Get Awards For Acts Of Heroism

Two employees of the Pacific Telephone Company working in the Tahoe-Truckee district have been signally honored for heroism by the Carnegie Hero Fund Commission in Pittsburgh, Pa., according to an Associated Press dispatch from that city.

The two, Howard D. Hill, 36, and Kenneth W. Terry, 41, both of Tahoe City, will receive a silver medal and \$750 each in cash for their rescue of Clayton Toensing, 18, on July 5, 1965.

The commission made 27 awards for acts of heroism in eight states and Canada.

Hill and Terry were cited for their bravery when they rigged ropes to work their way to Toensing, injured in a fall and trapped on a ledge in Squaw Valley. The two men spent several hours lowering the injured youth to the base of the cliff, then worked their way down in the darkness.

Roseville Meeting For Disposal Study

Fred Hodder, superintendent, and Directors August Sassarini and Ray Hintz planned to attend a meeting in the office of Congressman Harold T. (Bizz) Johnson in Roseville at 10 a.m. today to discuss the possibility of obtaining increased funds for water pollution control in the Lake Tahoe basin and Truckee river area.

The plan, according to Hodder, is to determine if the state will provide 25 per cent to match a federal grant which would be advanced from 30 to 50 per cent of the cost of providing adequate sewer systems to protect the purity of the lake and streams.

State Senator Steven Teale will represent the state at the meeting.

At the present time, under Public Law 660, the federal government through the Federal Water Pollution Control Administration provides grants of 30 per cent.

Three Are Arrested In Marijuana Raid

KINGS BEACH — An alleged marijuana and LSD party was broken up at Kings Beach by sheriff's deputies and state narcotics officers and three persons were arrested on a 17 year old daughter of a prominent Los Angeles attorney.

Progress Of Area Is Revealed With Stories For 1966

In reviewing the news of the past year in the local communities, a custom of years, it is found that 1966 was indeed an eventful, progressive year.

Among the top stories, the ten most important were listed as follows:

1. Contracts awarded for \$9.2 million Stampede dam and tunnel.
2. Extension and modernization of Tahoe Forest Hospital.
3. Violent earthquake in September resulting in extensive but not major property damage.
4. A successful general election which saw major changes in state and national government.
5. Petitions for incorporation of Truckee-Donner area completed and approved.
6. Sugar Pine Point at Lake Tahoe approved as state park.
7. New Kings Beach post office dedicated.
8. Consolidation of Truckee and Donner fire departments completed.
9. Work started on sewer disposal system for area west of Truckee including Donner Lake.
10. Agreement on rates and territories to be served reached between Truckee Public Utility District and Sierra Pacific Power Company.

There were many other important stories, individually perhaps more vital than those listed. For instance changes in management of various agencies. Frank Giovannoni was named district manager of Sierra Pacific Power Company in Truckee and North Lake Tahoe; Dr. H. P. Tapia replaced Randy Bobby as superintendent of the Truckee-Donner Recreation and Park District; Delos Bristol was succeeded as administrator of the Tahoe Forest Hospital by Clarke Boe; Andy Creglow was replaced by Charles O. Brandt as manager of the Truckee Tahoe Airport District; Richard Bollin was replaced as manager of Bank of America by Harold Silva and Fred Hodder was named manager of the Truckee Sanitary District.

There were other notable changes in district elections and appointments. Tragedies were not uncommon. In one of the worst motor vehicle accidents in this area, four people, including three teenagers were killed when a car smashed into a truck.

The Donner Area Junior Chamber of Commerce successfully sponsored the first annual Donner Hill Climb. A Truckee school teacher, Rod Hiskens, was selected the most outstanding teacher, under 35, in the state.

Two telephone company employees, Ken Terry and Hod Hill, were nationally cited for their daring rescue of an injured youth in Squaw Valley.

The new highway patrol office in Truckee was nearing completion at a cost of nearly \$300,000, and a major chain store started construction of a new local business.

There were numerous other events, some good, some bad, fires, deaths, births, marriages, wrecks and what have you, all reported in the Sierra Sun.

Two Babies Born In Local Hospital

A double holiday will be held in the home of Mr. and Mrs. Alvin Pribble of Truckee, in years to come, for their daughter named Kristina Iona, who was born in Tahoe Forest Hospital on Christmas Day. The little girl's first weight was 7 pounds 14 1/2 ounces.

Mr. and Mrs. Richard Reuter of Squaw Valley had a belated Christmas gift upon the arrival of their daughter at the local hospital on December 27.

The infant was a plump 8 pounds, 6 ounces on arrival and at press time her given names were being selected.

CRASH INJURIES TO CANCEL OPEN HOUSE

Mrs. William Scanlon of Gateway announced that because of the serious injuries suffered by her mother, Mrs. Florence Ochs of Chico, in an automobile collision Sunday, she is regretfully cancelling the open house at their home which had been scheduled for New Years Day.

Mrs. Ochs is in the Tahoe Forest Hospital with critical injuries which she received in a four-car crash.

Musical Groups To Be Seen At Lodge

CRYSTAL BAY — The youthful
ly exuberant Guys 'n Dolls Quartet
begins its second hit week at Ne-
vada Lodge, to be joined Tuesday
night by the Lee Raymond Show.

Both groups will alternate before
Nevada Lodge's Topaz Room spot-
light until mid-January. Nevada
Lodge, North Lake Tahoe's largest
year-round resort hotel casino, of-
fers continuous entertainment from
dusk until dawn for winter vaca-
tioners.

The Guys 'n Dolls Quartet pre-
sents a fast moving act displaying
exciting musical talent and laced
with the fresh wit and humor
which has made them favorites on
the Reno-Tahoe-Las Vegas circuit.
Headed by Kenny O'Dell, whose
m.c. and vocal talents sparkle con-
sistently, the "Dolls" are beauti-
ful Carol Robbins and Corki who
sing, play and do much to give the
Guys 'n Dolls their distinctive ap-
peal. Drummer Byron Allen com-
pletes the group; critics point to
his voice as possessing the magne-
tism of Roger Miller.

Lee Raymond and his entourage
bring to Nevada Lodge a top flight
musical show, featuring Lee on
trumpet and valve trombone and
four other accomplished musicians.
The glamour touch is provided by
lovely vocalist Judy Woods, whose
voice beautifully complements Lee
Raymond's arrangements. Boasting
a sound with the impact of a big
band, the Lee Raymond Show will
resound at Nevada Lodge through
January 23.

In the largest cities of the U.S.,
with one million inhabitants or
more, the accident death rate is
substantially lower than for the
population of the country as a
whole.

LAKE ECHOES

BY BETHEL

Happy New Year to all! Christmas was enjoyed early so that a week's vacation could be taken in San Francisco and way points, and the New Year as well.

Nicest Christmas present we have heard of this year was presented to Bob and Marlea Tamblin of Kings Beach. Joseph Briant Tamblin arrived on the 24th at 6 a.m. at Washoe Medical Center in Reno, seven pounds four ounces and 19 1/2 inches long. Bill and Betty Tamblin of Kings Beach and Ted and Pearl Draney of Incline Beach are the proud grandparents.

A traditional Tom and Jerry party was given by Bert and Dora Mae Jakobson at Incline Village Friday night. Dora Mae is carrying on a custom started by her grandparents and which has always been an integral part of the Christmas season. Sharing the hospitality of the Jakobsons were Messrs and Mesdames Engelhard, Ben Damanchki, William Montgomery and John Oakes, Virginia Hill and son, Butch, Lee Cunningham and Earl Parr.

Virginia Hill of Incline Village welcomed son, Butch, home from school at Santa Barbara for the Christmas holidays.

Mr. and Mrs. Mark Davis spent Christmas with the Clarence, "Smitty" Smith family at Kings Beach from their Palm Desert home.

Christmas greetings and New Year's wishes were received by Pieter Van Tassel and mother, Bethel, and their peke, Chee Chee, from Lassie and Silky and their owners Rudd and Betty Weatherwax of Van Nuys. Their many friends at Lake Tahoe where they were on location three years ago will be happy to know they are all well and busy, of course, with their TV show.

Alysmac Schultz of Incline Village visited her mother, Alice Nowlin at Santa Barbara, and husband's mother, Sophia Schultz, at Orange, during the holidays.

The Schultzes joined son, and family, Randy and Marcie and baby, Becky, at Kings Beach for Christmas dinner. Mr. and Mrs. Paul Dickens of Carmichael were also Christmas guests to their daughter and family.

Enjoyed a pre-Christmas chat with Al and Isabelle deLuque of Tahoe Vista who were Reno shoppers Thursday night. Al and Isabelle spent Christmas with daughter and family, Iris and Irwin Grant and 2 1/2 year old son, Sammy, in Sacramento. Coming from San Francisco where he is in the insurance business was son, Jack, to share Christmas with the family.

Isabelle reports son, Joel Sigesman is his second year at Sacramento State where he is majoring in political science. A subject in which he is well qualified having long been interested and active in political affairs.

"Our" kids (because we introduced them we have a special interest), Isabelle's daughter and husband, Abby and Frank James and their three year old, Debra, are now living in New York City. Frank

was formerly editor of a weekly newspaper at Lake Tahoe and now attending Columbia where he is working for his BA in journalism.

Mrs. Gene Leister of Incline Village spent the Christmas holidays in the bay area with friends and relatives.

Jessie Smith of Berkeley joined Ryland and Flo Goodspeed at Crystal Bay for the Christmas and New Years holidays.

Darryl Gunther of Crystal Bay went to Woodland on business, returning home with his mother and his nephew, Neil, both of Woodland to share the holidays with him.

Hildegard Willmann of Crystal Bay explained to Connecticut for Christmas to share the holiday with relatives.

Carl and Mary Dyer of Kings Beach visited Portland to assist Carl's aunt who was hospitalized. After a trip to the desert to miss the snow, they will return home. Only disappointment of the season was missing the family party at Skyland. We, too, missed sharing a part of the holiday with our "shirt tail" relatives.

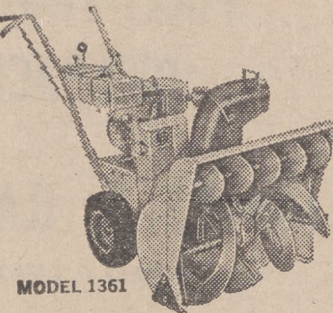

The Snelson family of Los Altos spent Christmas at their Crystal Bay home.

Postmaster Ardith Burrill, of Crystal Bay assisted by Lorraine Dominguez and Bertie Smith, held open house, serving coffee and cookies, all home made, to Christmas callers. This is something one misses living in a larger community — knowing everyone and sharing the holiday spirit with them, which was a marvelous way to say "Merry Christmas". Pearl Draney and Irene Kaiser are new employees of the post office.

Carol Harris of Tahoe Vista has returned home after recovering from recent surgery in Sacramento.

Stephanie Cook of Incline Village, daughter of Dora Mae Jakobson, was baptized in the Mormon Church in Reno Friday night. A reception was given in her honor at the home of Mr. and Mrs. Mar-

Norbert and Renie Van Buren of Crystal Bay and Paris send greetings to their many friends. The Van Burens enjoyed a trip to Vienna recently and plan to spend the summer at their Lake Tahoe home.

Greg and Virginia Engelhard of Incline Village returned home after a three week trip which took them to New Orleans where they took a Dutch freighter to South America and the Bahamas. Son Bill, was a guest of the Jakobson family during his parents trip.

Ruth Mizner of Kings Beach spent the Christmas holidays with her daughter and family, Gwen and Dan McGrew and children, Matthew and Scott, at Pleasant Hill.

Holiday guests of Col. A. A. and Frances Hayman at Incline Village are Frances' nephew, Flick Guerina, whose hometown is Alexandria, Virginia, but now in the Air Force Academy, Colorado Springs.

John Valiente another student and friend of Flick accompanied him to Lake Tahoe. Also spending Christmas with the Haymans were son, Chris, home from the 3 R's in San Rafael, son Hap and wife, Doris and children Pat and Barbara of Novato.

This is the first trip to the Sierra country for Flick and John and their agenda is a busy one. Happy holidays, boys.

Jetta Steward, longtime resident of Lake Tahoe, spending the winter in Las Vegas reports the nuclear bomb rocked the town and her house especially the other morning. Jetta asks "is this peace" and we reply not at 7 a.m.!

Interesting to hear that longtime friend, Louise Crouch of Danville, whom we visited this past week, is in charge of the library at Varian Aerograph in Walnut Creek, where son, Jan is employed. Louise has known said son since he was two years old! Tempus Fugit!

YOUTH CENTER BEING BUILT AT STOCKTON

SACRAMENTO — (CNS) — The third institution being built at the northern California youth center, near Stockton, will be known as the DeWitt Nelson youth conservation training center, in honor of the man who retired recently as director of the department of conservation.

The institution will be for 400 boys, from the ages of 17 to 23.

Nelson, now on the faculty of the department of forestry at Iowa State University, was state forester and chief of the division of forestry from 1945 to 1953. He was named director of natural resources in September, 1953, by Governor Earl Warren.

Nelson continued in that capacity until the department's name was changed to conservation in 1961 and then became director of the new department.

DELAY OF FUNDS WILL NOT HALT HIGHWAYS

SACRAMENTO — (CNS) — J. C. Womack, state highway engineer, said the delay in receiving some \$70 million in federal interstate highway funds in the first half of 1967 will not halt the division of highways program for acquiring rights of way and conducting preliminary engineering.

"We have been told that the slow down governing the rate of federal-aid obligations is expected to continue at least into the first quarter of next fiscal year," Womack said. "However, since federal highway user taxes will continue to accumulate in the federal highway trust fund, it is reasonable to assume that the rate of obligating federal-aid funds will be increased, possible in a year or less, to get the highway program back on schedule."

Womack cautioned that, if the new restriction on obligating federal aid fund continues, there will be a substantial reduction in the federal-aid construction program in California.

On March 7, 1965, Governor Jewett W. Adams approved a bill locating the University of Nevada at Elko.

There was a period of 10 years between the adoption of the Nevada Constitution and the opening of the University of Nevada at Elko.

SINGERS HERALD HOLIDAY

The pleasant sound of caroling was heard before Christmas in the Meadow Park district when a group of adults, young people and children joined to sing songs of the season in the neighborhood.

LAKE LEVEL

TAHOE CITY — Lake Tahoe's level on Wednesday was 6225.05, with 150 cf per second leaving the gates. The thermometer rose to 41 degrees, December 23 for the week's high, low of nine above zero was registered the 27th.

OFFICE DAMAGED

TAHOE CITY — Fire in the telephone company office at Tahoe City last week destroyed 20 400-pound batteries and disrupted service between 11 p.m. and 5 a.m. Considerable damage was done to the office.

BOARD TO ORGANIZE

The Nevada County Board of Supervisors will meet January 3 and organize immediately for the 1967 year. Supervisor William Thomas, who was elected to succeed Don Blake, will take the oath earlier in the morning although his term will commence at 12:01 January 2.

DONNER DOINGS

BY MARCELLA CORRO

With our fresh snowfall Christmas morning, everyone really enjoyed a White Christmas. A bit nippy but timed perfectly for the many families and skiers who were up for the holiday.

The Donner Lake Community Club and firemen enjoyed their Christmas Party December 15th, at the Donner Lake Lodge. Delicious buffet was served, followed by singing Christmas carols. Willie Curran lead the group in song with Muriel Wiser playing the accompaniment on the piano.

Mr. and Mrs. Whitney and son, living in the Weeks' Tract were up for the holidays. The Carson White's enjoyed Vi's mom and dad, Mr. and Mrs. H. Hanson up for the holiday. Their son, Charlie, sent a tape home from Korea for all to enjoy. His gifts were quite interestingly packaged as they cannot obtain boxes there. They take cartons of any kind and cut to size and shape for mailing.

We are sorry to hear Bill and Jean Scanlon's company were involved in an accident on Donner Summit Christmas Day. Jean's grandmother was taken to the Tahoe Forest Hospital with injuries. We wish her a speedy recovery.

Did you notice the ice along the shore of Donner Lake this week? It was nippy out there, with other local parts even colder.

Airman First Class James Hutchins, son of Mr. and Mrs. Burt Hutchins, flew home to attend services for his infant son who passed away in Japan. Services were held at the Truckee Colonial Mortuary December 20th. PFC John Hutchins is also home on a two week leave from basic training. He is stationed at Fort Lewis, Washington.

The Lions' Club held their Christmas party Saturday, December 17. The pre-meet was at Tom and Gladys Doley's home. After a lovely social hour with cocktails and hors d'oeuvres, everyone left for Donner Lake Lodge for a delicious buffet. Bob Zirbel played a jolly Santa to give out the his and hers

City home are Carl and Elsie Bechdolt and children Cal, Mindy and Pat.

Christmas in Los Angeles was enjoyed by Clyde and Sylvia Nance and young son of the Chamberlands.

Both the Auburn Ski Club and Sierra College announced this week that they would hold all their training for nordic ski events this season at Rusty Rustad's Granlibakken.

An eleventh birthday was noted by Christine Onorato, daughter of Fred and Carole Onorato of Squaw Valley, on December 27th.

Charming guests of Betty's "Be My Guest" television program last Tuesday afternoon were lovely Cathy Connors of Homewood and "athlete of the year" Greg Moore of Tahoe City. Cathy and Greg were publicizing the sixth annual Sno-Ball of North Tahoe which will be held on Friday, January 20th at the Topaz Room of the Nevada Lodge. Don Lindstrom, president of the Greater North Lake Tahoe Chamber of Commerce, says that all indications show that this event will be bigger and better than ever this year.

Appearing with Cathy and Greg was Artis Clotfelter of Tahoe Vista who is in charge of judges for the Miss Sierra Snowflake contest, a highlight of the Sno-Ball. Other judges for the contest will be Kathy Blaikie, Miss Nevada of 1965, Placer County Sheriff Bill Scott and Pete Carruthers, well known disc jockey from KOLQ radio.

Visiting here with Milt and Sue Batt for Christmas were Sue's parents Mr. and Mrs. Jack Packard of Oregon and Sue's brother Rusty.

The Bob Lasky family, former Tahoe residents now residing in Tiburon, are enjoying the holidays here skiing.

The M. F. Bud Jones family of Panorama Estates is visiting with daughter and sister Vicki and enjoying the skiing at Eagle, Colorado. They expect to be back here

gifts. The party continued with dancing.

Bud Bollock of Donner Lake returned from a hunting sojourn to Doris. He also visited with family and friends in Monterey, and was happy to be back after fighting the coastal fog. Seems we have had a little of that fog up here too, Bud.

The Miles Christmas Fund was very successful. It's nice to know the people in our small community were so helpful to make their Christmas a merry one. So many tourists ask us why we care to live here in the cold and snow and fight the elements. But this very incident is a good example why many of us will never care to leave.

A Happy and Prosperous New Year to All! See you next year.

TWO IN COURT

Ettore Frank Bertagnolli, 25, La Canada, paid a fine of \$18 before Judge F. W. Wilson Tuesday for not having chains in a control area. Dennis G. Coombs, 22, Tiburon, entered a plea of innocent to a charge of speeding and his hearing was set for January 18.

next week.

Among the attractive mother-daughter combinations seen skiing here this week were Mrs. Norman Wilson and daughters Cari and Robie of the Highlands.

South San Francisco visitors for the holidays were Angie and Chris Bonino and children Angela, Brad, Bobby, Brent and Bryan of the Highlands. They were guests of Angie's parents, Mr. and Mrs. Louis Bonino.

Recent house guests of Don and Dorothy Lindstrom at their Dollar Point home were Don's parents, Mr. and Mrs. C. M. Lindstrom of Medford, Oregon and Dorothy's sister, Mrs. Eileen McClintock and children Rod, Brian and Joann of Bakersfield.

Happy holidays to Carl and Yvonne Bechdolt in Reno.

House guests of Mr. and Mrs. Ned Long this week at their Tahoe Sierra Estates home are Dr. and Mrs. Jack Hackney and sons Rickey and Bob of San Marino.

It's a mighty busy week this week for Granlibakken and Rusty Rustad as Nordic experts from the Far West Ski Association held a week long training clinic for Nordic juniors from the far west region. More than forty junior competitors from San Diego to Mt. Shasta in California and northern Nevada are participating in the clinic which will culminate in competitions to be staged at Granlibakken this weekend.

Einar Bekken of Norway is the top instructor in training the ski jumpers and he is being assisted by Jerry Wetzel and Billy Hobbs who are working with the under 12 age group. In charge of training the cross country racers are Harry Erickson, Bud Sorensen and Bob Kettenhofen.

The clinic, which is being sponsored under the joint auspices of the United States Ski Association and the Far West Ski Association, is being coordinated by Chal Cross. Other local volunteers working on the program are Pete Perata, Carolyn and Ollie Henrikson, Rosemary Donaldson, Bill Bechdolt, Jim Gillam, Rusty Rustad, Cort Parker, Sheldon Varney, Marshall Ruhkala and Carl Bechdolt, Jr. Bechdolt kindly donated the use of his Tahoe City Golf Course clubhouse for the week for the clinic.

Local junior participants include Chuck and Kim Demick, Mark and Drew Briner, Richie Baker, Tim Tilton, Steve and Larry DeWalt, Bacci and Marco Perata, Joe McKee, Steve and Brezzie Cross, Dave Donaldson, Carl and Tom Ruhkala, Cal Bechdolt, Eric Henrikson, Bill Blanford and Jim Gillam.
